MEMORANDUM FOR: Legislative Counsel

SUBJECT : Congressional Fellowship Program

Jack:

I am not completely comfortable with my understanding of the merits of our continued participation in this Program. Since we had only one candidate for the 1973-74 Fellowship, one wonders if there is a great deal of interest in it and if it serves a useful purpose.

Would you be good enough to touch base with the Chairman of the Training Selection Board, the Director of Personnel, and anyone else you choose and let me have the benefit of your thinking on this. I would hope that you might look at what has happened to all past Agency Congressional Fellows and make some judgment as to whether this Program has furthered our objectives in developing managers, etc.
